RESPONSIBILITY

Protection of the environment in which we live and operate is one of the key responsibilities of CID Trading Ltd, and is beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving performance as we consider this to be to be sound business practice.

The operational and ultimate responsibility for the commitment to this policy lies with the Directors of CID Trading Ltd. Every employee of the business is expected to give their full co-operation to the above principles in their activities at work.

POLICY AIMS

CID Trading Ltd aims to ensure that the Company reduces its environmental impact of to an absolute minimum and will endeavor and are committed to:

- Comply with all regulatory environmental legislation, regulations and approved codes of practice.
- Protect the environment by striving to prevent and minimise our contribution to pollution of land, air, and water
- Reduce all CID's transportation requirements wherever possible.
- Use vehicles that are regularly serviced and checked with regards to their emission levels and economical in their use of their fuel
- Source and buy goods locally in bulk to save fuel costs wherever possible
- Train and promote environmental awareness among our employees and monitor their performance through their KPI's where applicable.
- Reduce waste through re-use and recycling and by purchasing recycled, recyclable or refurbished products and materials where these alternatives are available, economical and suitable.
- Promote efficient use of materials and resources throughout our facility including water, electricity, raw materials, and other resources.
- Avoid unnecessary use of hazardous materials and products by making use of substitutes when feasible.
- Take all reasonable steps to protect human health and the environment when such hazardous materials must be used, stored, or disposed of,
- Develop and maintain appropriate programs and policies where required by legislation or where significant health, safety or environmental hazards exist,
- Communicate our environmental commitment to suppliers, clients, customers, and the public and encourage them to uphold and support it.

MONITORY AND IMPROVEMENT

The effectiveness of the Policy Statement will be monitored and reviewed annually by the Directors to ensure the Company's continuing compliance with any regulatory legislation and to meet new business requirements and to identify areas in need of improvement. We will also ensure that all changes are brought to the attention of employees as necessary.
