

## Hi Vis Lightweight 2-Part Waterproof Coverall

Orange

Pack Quantity: 1

Manufactured from durable PVC-coated 150D polyester, this coverall offers reliable waterproof performance while remaining lightweight and easy to wear throughout the day. A concealed hood provides added protection when needed without compromising a clean, professional look.

The two-way heavy-duty front zip is protected by a studded storm flap to help keep wind and rain out, while fully taped seams ensure complete waterproofing. Knitted storm cuffs help seal out the elements and improve comfort during extended wear.
